About Us

Akadememos Society is a registered charity organisation based in Australia.

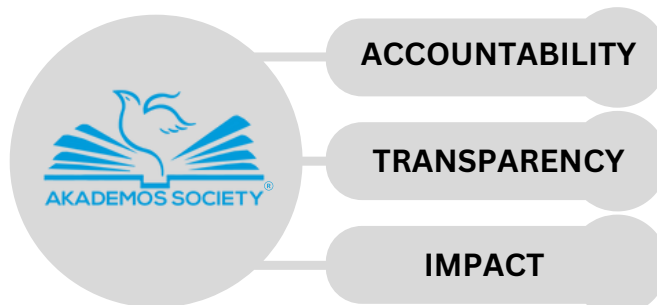

It is run by a group of volunteers who work with local partner organisations in Afghanistan & Pakistan.

Our objective is to enable disadvantaged students to realise their full academic potential through provision of financial grants, scholarships, academic assistance, and other educational and learning opportunities. Our programs enable disadvantaged yet academically talented students to pursue their educational aspirations.

Over more than a decade, our programs have supported hundreds of school, college and university students to complete their education.

AKADEMOS PLUS

AKADEMOS AUSTRALIA STUDENT ASSISTANCE PROGRAM (AASAP)

AASAP provides assistance to disadvantaged students pursuing higher studies in Australia.

Akademos Plus provides financial assistance to high performing Akademos students to attend University entry test preparatory classes.

Akademos Study Grant provides financial assistance to tertiary students who are unable to pursue their higher education goals due to socio-economic circumstances.

Kids Off The Streets program provides financial assistance to school students, enabling them to access educational opportunities. The financial assistance covers school enrolment and monthly school fees.

Akademos Scholarship is the first program of Akademos Society. The program helps talented and disadvantaged students throughout their college years. The financial support includes payment of college admission, monthly fees and other education related expenditures.
